MEET DISCUSS TOUR

CONNECTED FREIGHT KC 2050 *A Plan in Action*

The Mid-American Regional Council (MARC), in coordination with Lawrence-Douglas Metropolitan Planning Organization and Pioneer Trails Regional Planning Commission, is kicking off the planning process to develop **Connected Freight KC 2050 - A Plan in Action**. Freight industry staff, leaders, officials, and others are invited to participate in MARC’s Goods Movement Committee Meeting on April 2 to begin discussing the plan and shaping its potential outcomes. Orange EV has agreed to host this important discussion. They’re also providing participants with a tour of their facility. Don’t miss it!
