

Ozone Alert day

The SkyCast today is **ORANGE**

which indicates **unhealthy air quality** for **some people**. Children, people with breathing or heart problems, and active adults should limit their time outdoors.

Help reduce pollution:

- ➔ Carpool, combine short car trips, use public transit, bike or walk to your destination.
- ➔ Postpone refueling and mowing until the next green SkyCast is issued.
- ➔ Shut off your car engine if you'll be parked for more than 30 seconds.

This information is brought you by the Mid-America Regional Council's Air Quality program.

The SkyCast is the **daily air quality forecast** for Greater Kansas City. Find it at www.marc.org, via local media outlets or by calling **913/383-7557**.
