**Getting to MARC:** For information on transportation options to the MARC offices, including directions, parking, transit, carpooling, and bicycling, visit <http://marc.org/mapandparking.htm>. If driving, visitors and guests should enter the Rivergate Center parking lot from Broadway and park on the upper level of the garage. An entrance directly into the conference area is available from this level.

**Special Accommodations:** Please notify the Mid-America Regional Council at (816) 474-4240 at least 48 hours in advance if you require special accommodations to attend this meeting (i.e., qualified interpreter, large print, reader, hearing assistance). We will make every effort to meet reasonable requests.

MARC programs that receive federal funding may not discriminate against anyone on the basis of race, color or national origin, according to Title VI of the Civil Rights Act of 1964. For more information or to obtain a Title VI Complaint Form, see [http://www.marc.org/transportation/title\\_vi.htm](http://www.marc.org/transportation/title_vi.htm), or call 816-474-4240.

## Meeting Summary:

### 1) **Call to Order**

- a. Mike Brungardt, representing the City of De Soto, KS called the meeting to order and began the welcome and introductions.

### 2) **Approval of Summary**

- a. The first order of business was committee review and approval of the March 2011 Aviation Advisory Committee meeting summary.

### 3) **Presentation: *Refresher on Airport Airspace Analysis and Obstruction Evaluation Issues***

- a. Angie Muder representing the Federal Aviation Administration (FAA) gave the presentation.
- b. Part 77 notification for potential obstructions/hazards during construction was discussed (newly issued rule requires notification at least 45 days prior to the start of construction).
- c. For more information on this subject go to <http://oeaaa.faa.gov/>

### 4) **Presentation: *Opportunity for Creating Airport Airspace Protection Commissions in Missouri***

- a. Scott Michie representing Lochner, BWR Community Planning Division gave the presentation.
- b. Purpose was to educate individuals about protecting airspace through Height & Hazard (H&H) regulations and avoiding potential H&H issues.
- c. Contact Scott regarding any questions on the presentation at [smichie@hwlochner.com](mailto:smichie@hwlochner.com)

### 5) **General Announcements**

- a. Colin McKee representing Midwest National Air Center shared news related to that airport .
- b. Ed Young was in Atlanta, GA and unable to join so Jesse Romo representing KDOT Aviation talked about educating the general public about H&H issues, how airport revenue contributes to the general economy of their surrounding communities, and how encountering H&H issues with media or medical towers is just as common today as it is with wind towers.
- c. Mark Schenkelberg representing FAA announced that FAA authorization runs out May 31<sup>st</sup> and that the FAA had been authorized over \$3 billion this year to issue as grants.

- d. Ed Bowers representing Burns & McDonnell expressed his appreciation for the presentations on H&H and recommended partnering with FAA to continue educational outreach on this topic in the future.

6) **Other Business**

- a. There was no other business

7) **Adjournment**

- a. The meeting was adjourned. The next meeting of the Aviation Advisory Committee is scheduled for Thursday, July 14, 2011 at 1:30 P.M.
