

Today's SkyCast

is **GREEN**

which indicates **healthy air**.

Take care of our air:

- Carpool, combine short car trips, use public transit, bike or walk to your destination.
- Don't top off your gas tank, and refuel after 7 p.m.
- Shut off your car engine if you'll be parked for more than 30 seconds.

This information is brought you by the Mid-America Regional Council's Air Quality program.

The SkyCast is the **daily air quality forecast** for Greater Kansas City. Find it at www.marc.org, via local media outlets or by calling **913/383-7557**.
