

Ctrl-Alt- TRAIN

Located
Downtown

UNDO your troubled thoughts on where to get your computer training. Downtown now features a clean, pleasant and affordable 14-station computer lab with free parking, lots of convenient restaurants for lunch and all new equipment.

MARC offers plenty of options to fit your organization's training needs. Your company can use our instructors and sign up for our open enrollment classes, build a customized class or rent the GTI Computer Lab and run your own courses on our machines.

**Mid-America Regional Council
GTI Computer Lab
600 Broadway, Suite 200
Kansas City, Mo. 64105**
