

## 2012 Outstanding Performance Awards

### NOMINATION FORM

One form per nominee or team. Please attach a detailed, comprehensive summary of the incident describing the outstanding performance of the telecommunicator(s). Providing supporting documentation — news article, police report, audio from the call or radio transmission, etc. — is strongly encouraged. The selection committee assigns a score to each nomination based solely on the information you provide. It is important that you submit complete and thorough information about the telecommunicator(s), their performance and the incident, for the nomination to be judged appropriately.

Nominations can be submitted throughout the year. All nominations for the 2012 awards must be received by **Monday, February 6, 2012**.
