### Summary

1. Mike Brungardt called the meeting to order and began the welcome and introductions.
2. The first order of business was committee review and approval of the November 2009 Aviation Advisory Committee meeting summary.
3. Next, general updates were provided by local airport staff. The discussion that followed was focused primarily on snow/ice removal issues at airports.
4. In collaboration with KCMO Aviation staff, consultants from HNTB gave a presentation on the installation of an engineered material arresting system (EMAS) off the ends of runway 1-19 at Charles B. Wheeler Downtown Airport. Mike Roper, manager of Downtown Airport, gave offered historical background information about the airport and the development of the EMAS project. Dave Johnson and Sara Henderson, HNTB, provided a detailed presentation on the project design and implementation.
5. Jim Hubbell, MARC, presented a draft version of the Aviation Chapter from Transportation Outlook 2040. The committee offered feedback on the draft chapter content. Tom Coyle, KCMO Planning, clarified that the KCI Airport Master Plan/Noise Study and the Airport Area Land Use plan were not adopted by the City at the same time. Ray Olsen suggested that the proposed BNSF intermodal freight facility should be mentioned in the MARC plan.

6. The meeting was adjourned. The next meeting of the Aviation Advisory Committee is scheduled for March 11, 2010 at 1:30 PM
