The constants in teaching to any age group:

- Patience
- Creativity
- Rewards
- Baby Steps
- Fun
- Learning Styles
- Repetition
- Context
- Vocabulary
Patience is not the ability to wait, but the ability to keep a good attitude while waiting.
Fun
Learning Styles

Visual: See it

Auditory: Hear it

Kinesthetic: Do it

Age related issues
Meet them where they are and make them feel valued.
It will all work out;
Mistakes open the door to new possibilities.
Be sure YOU are having a good time.
If you are, they are!
And always remember the saying:
If you give a man a fish, you feed him for a day.
If you teach him to fish, you feed him for a lifetime.

When you think that you can’t make a difference, remember that one raindrop raises the ocean.
Thank you so much for being here. If there is anything we can do, if there is anything you need, please contact us: 816-559-7077
