1. Welcome and Introductions

Tom Jones called the meeting to order. Self-introductions were made. The September meeting summary was reviewed and a motion made by Jackie DeVaul and seconded by Deb Peck to approve. There were no opposing votes.

2. Communications

A reminder that the Moswin Monthly Test would be held on October 18, 2017. Rod Kirchhoff of Lafayette County Health Department will be the net control this month. The importance of participation was stressed to the stakeholders as an attempt to improve participation.

Bill Sweeney reported on the monthly VHF test and again the lack of participation was noted. The stakeholders were informed that if participation does not improve this monthly test would be canceled.

Moswin training will be available on October 31, 2017. Please register on the SEMA website. (www.sema.dps.mo.gov)

3. Training and Exercise Updates

Jackie DeVaul and Deb Peck presented an overview of the September Region A Northern District exercise. The AAR/IP will be completed and copies will be sent to all the participants.

Kansas City Metro will be having a CCTA exercise on October 25, 2017.

ICS 300 and 400 courses are available thru MARC. Please go to the MARC website to register. Another place to look for training is at the SEMA website. (www.sema.dps.mo.gov)

Lafayette Regional sent two RN’s to Anniston for training this month.

4. HVA and Strategic Plan

A request was made for all the facilities to send their top 5 HVA to chunter@marc.org. Are working on the Regional HVA. The regional strategic plan was provided for stakeholders.

5. State HCC Meeting

Tom Jones provided an overview of the State HCC meeting held in Jefferson City on September 20, 2017

6. Next Meeting – November 9, 2017

The next meeting will be held at the Lafayette County Health Department, 547 S. Business 13 Highway, Lexington, Mo. 64067 starting at 9:00 AM.
