1. Welcome and Introductions
JoAnn Martin opened the meeting and self-introductions were made. The meeting notes from May were reviewed and approved as written.

2. Communications
Roger Wiltz presented the monthly report for the Ham Radio net.
Bill Moberly presented the MOSWIN monthly report. Participation remains stable.
The Kansas City Heart Noon net is no longer being conducted because of lower participation. Still some issues with VA station and the Warrensburg repeater. Being addressed by KC Heart group.

3. NIMS Compliance
Annual report given on NIMS compliance in region. Everyone has either completed or it is in progress.

4. EMResources Bed Availability Queries
Bill Moberly reported that the Region was participating very well for the first 2 quarters at 73 and 79%. Hope for a 80% compliance for the year. 2017 ended at 82%. 
5. Training and Exercise

Benton County will be holding a full-scale Active Shooter exercise in conjunction with the Warsaw School District on August 10, 2018. Contact Nathan Burton at Warsaw/Lincoln for additional details.

The Johnson County Healthcare coalition will be holding a TTX exercise on August 10, 2018. Please contact Tandra Sudman at the Johnson County EMA office for additional details.

Lafayette County will be holding a full-scale POD Exercise on June 28th in Higginsville. If interested in attending evaluators are needed. Please contact Rod Kirchhoff if interested.

There will be eICS/EMResource training at the July meeting in Warrensburg. Participants are encouraged to bring your own laptops. If you have not yet received your login/password, please contact abreeze@marc.org. Aly will get you set-up.

SEMA is hoping to bring an ICS 300 and ICS 400 Course to Rural region A this fall. Gloria will provide more details as they become available.

Additional training opportunities are available at the SEMA Website SEMA.dps.mo.gov.

6. County Coalition Reports

Johnson County will hold TTX exercise. Participation has been good. People are engaged.

Henry County meetings are held every 2 months. Participation seems to be declining. Gary French and Jim Evans continue to promote and engage local participants to increase attendance. Henry County Compass is holding a TTX training class on Monday July 2, 2018. Hopefully this will increase interest.

Benton County coalition held a TTX in May at Warsaw/Lincoln Ambulance office. There was good attendance but only one Nursing Home attended. Still trying to figure out how to increase attendance. Good start gives them something to build on.

Pettis County continues to have monthly meetings with its group. Attendance has declined since April exercise, but they are working on new strategies to increase attendance.

Bates County No healthcare coalition in place as of now.

6. Next Meeting – Thursday July 12, 2018

Please note the change of day for this meeting. This will be the joint meeting of the Northern and Southern District. Meeting will be held at the Johnson County Fire Protection Offices 122 W. Young Street, Warrensburg, Mo. 64093 at 10:00AM
