1. Welcome and Introductions
Joann Martin opened the meeting and self-introductions were made. The September meeting summary was reviewed and approved.

2. Communications
The monthly Rural VHF test was announced. Mr. Wade however was not present to discuss his concerns with the net. Will postpone comments until next month. Once again, participation was encouraged or the net probably will be discontinued.
The stakeholders were reminded that the monthly MOSWIN net would be held on 10/18/2017 at 10:00. The net controller this month would be Rod Kirchhoff, Lafayette County Health department. Volunteers are needed to be net controllers in the future. All net controllers have been from Northern District so far. Would like some assistance from the Southern District.

3. Training and Exercise
Moswin Training for Region A to be held at Johnson County EMA on October 31, 2017. Register on SEMA website.
ICS Training 300 and 400 available thru MARC. Please go to MARC website to register.

The free Show Me Partnership Conference will be held December 12-13 at Tan-Tar-A. To register go to: https://health.mo.gov/emergencies/ert/showmepartnerships.php.

The Southern District design team presented the plans for the Southern District Regional Exercise to be held on November 1, 2017. Please direct any questions to any member of the design team.
### 4. HVA Request

It was requested that the stakeholders send their top 5 HVA concerns to Charity Hunter at MARC (chunter@marc.org). She is compiling a regional HVA.

### 5. MHA Meeting

Mike Behringer presented an overview of the MHA annual Emergency Preparedness Conference that was held last week.

### 6. Next Meeting – Bothwell Regional Health Center 601E. 14th Street, Sedalia, Mo. 65301 @ 10:00
