Agencies and organizations in the Kansas City metropolitan area will continue to cooperate to prevent, protect, mitigate, respond to and recover from the threats and hazards the region faces through coordinated planning, information and resource sharing, training and exercise, and critical equipment replacement.

RHSCC STRATEGY PLAN:

REGIONAL PRIORITIES:

Planning and Coordination  
Training and Exercises  
Information Sharing  
Sustainment of Critical Equipment

GOALS

1. Operational Coordination

1.1: Use NIMS and ICS principles for operational coordination.
1.2: Maintain RHSCC as planning body for regional priorities and decisions.
1.3: Maintain contact information for all partners to support coordination.
1.4: Maintain database of regional resources and mobilization protocols.

OBJECTIVES

1.1: Maintain KCTEW networks and systems to receive, analyze and share threat information.
1.2: Support local ability to deliver information to impacted populations.
1.3: Establish procedures for mutual aid for emergency public information as needed in large-scale emergencies.
1.4: Maintain KCTEW networks and systems to receive, analyze and share threat information.
1.5: Support local ability to deliver information to impacted populations.
1.6: Establish procedures for mutual aid for emergency public information as needed in large-scale emergencies.

MARCH 2015
**GOALS AND CAPABILITIES**

#### Operational Coordination

Achieve and maintain regional capabilities to quickly communicate and coordinate operations among emergency services agencies, critical infrastructure operators, other potentially impacted entities, and state and federal partners to protect the public and the region's critical infrastructure and systems against disasters and terrorism. Implement an integrated response structure to set operational priorities, mobilize resources and engage in response and recovery activities.

**Core Capabilities** OPERATIONAL COORDINATION

#### Planning and Recovery

Support and strengthen local and regional prevention, protection, mitigation, response and recovery plans.

**Core Capabilities** PLANNING • INFRASTRUCTURE SYSTEMS • ECONOMIC RECOVERY • HOUSING • HEALTH AND SOCIAL SERVICES

#### Public Information and Warning

Local governments, community organizations, businesses and individuals have relevant and timely information to prepare for threats and hazards and take action before and after disasters.

**Core Capabilities** PUBLIC INFORMATION AND WARNING

#### Prevention and Protection

Maintain capabilities necessary to prevent and protect against terrorism and other hazards.

**Core Capabilities** INTELLIGENCE AND INFORMATION SHARING • FORENSICS AND ATTRIBUTION • ACCESS CONTROL • RISK MANAGEMENT • PHYSICAL PROTECTIVE MEASURES • INTERDICKTION AND DISRUPTION • CYBERSECURITY

#### Mitigation

Reduce loss of life and property by lessening the impacts of disasters that occur within the Kansas City region.

**Core Capabilities** THREATS AND HAZARD IDENTIFICATION • COMMUNITY RESILIENCE • LONG-TERM VULNERABILITY REDUCTION

#### Response

Maintain regional capabilities to respond effectively to save lives, protect property and the environment, and meet basic human needs after a disaster.

**Core Capabilities** OPERATIONAL COMMUNICATIONS • SITUATIONAL ASSESSMENT • ENVIRONMENTAL RESPONSE/HEALTH AND SAFETY • MASS SEARCH AND RESCUE • FATALITY MANAGEMENT • ON-SCENE SECURITY AND PROTECTION • PUBLIC HEALTH AND MEDICAL SERVICES • MASS CARE SERVICES
