ISSUE/REQUEST
Adoption of the 2010 Regional Multi-Hazard Mitigation Plan.

BACKGROUND/EXPLANATION
The purpose of hazard mitigation is to reduce loss of life and property by lessening the impact of natural, man-made and technological disasters. Hazard mitigation plans form the foundation for a community’s long-term strategy to reduce disaster losses and break the cycle of disaster damage and reconstruction. Cass, Clay, Jackson, Platte and Ray counties and participating jurisdictions developed a Regional Multi-Hazard Mitigation Plan that was initially approved by the Federal Emergency Management Agency (FEMA) in March of 2005. The plan was prepared pursuant to the requirements of the Disaster Mitigation Act of 2000 (DMA 2000). In accordance with DMA 2000 requirements, Cass, Clay, Jackson, Platte and Ray counties and participating jurisdictions are required to update the plan every five years. In 2010, the Regional Multi-Hazard Mitigation Plan was updated, ensuring the continuity of federal mitigation project grant funding through 2015.

JUSTIFICATION
The Regional Multi-Hazard Mitigation Plan is a multi-jurisdictional plan that represents a number of local governments within the Kansas City region. The following local governments and school districts participated in plan development and are represented by the plan through formal adoption:

Cass County
Garden City
Loch Lloyd
Peculiar
Pleasant Hill
Raymore
Strasburg
Archie R-V School District
Harrisonville School District
Pleasant Hill School District
Sherwood Cass R-VIII School District
Clay County
Gladstone
Kearney
Liberty
North Kansas City
Smithville
Jackson County
Blue Springs
Grandview
Independence
Kansas City, Mo
Oak Grove
Raytown
Sni Valley Fire Protection District
Fort Osage School District
Lone Jack C-6 School District
Metropolitan Community Colleges
Platte County
Houston Lake
Northmoor
Parkville
Platte City
Riverside
Tracy
Weatherby Lake
Weston
Park Hill School District
West Platte R-II School District
Ray County

The planning process followed the methodology prescribed in FEMA publications Local Multi-Hazard Mitigation Planning Guidance (July 2008) and Multi-Jurisdictional Mitigation Planning Planning (August 2006), beginning with the formation of a Regional Multi-Hazard Mitigation Plan Review Subcommittee (HMPC) comprised of key stakeholders from Cass, Clay, Jackson, Platte and Ray counties and participating jurisdictions. The HMPC reviewed each section of the plan, including the planning process, risk assessment, mitigation strategy and plan maintenance. Revisions were made as appropriate to ensure the plan reflects current vulnerability within each jurisdiction.

Blue Springs staff completed the nine requirements set forth by MARC to be included in the consortium plan.

1. Attended meetings or separate work sessions
2. Submitted inventory of existing plans relevant to hazard mitigation.
3. Submitted list of hazards that affect the jurisdiction.
4. Submitted description of what is at risk (including local critical facilities, if different than regional profile.)
5. Developed goals for the community.
6. Developed mitigation actions with an analysis/explanation of why those actions were selected.
7. Prioritized actions emphasizing relative cost-effectiveness.
The Regional Multi-Hazard Mitigation Plan will be updated again in 2015.

RESOLUTION NO. 025-10

A RESOLUTION WHICH HEREBY APPROVES THE REGIONAL MULTI-JURISDICTIONAL NATURAL HAZARD MITIGATION PLAN FOR THE PURPOSE OF BUILDING A SAFER COMMUNITY BY REDUCING NATURAL HAZARD VULNERABILITY

WHEREAS, the City of Harrisonville, Missouri recognizes that no community is immune from natural hazards whether it be tornado/severe thunderstorm, flood, severe winter weather, drought, heat wave, earthquake, dam failure or wildfire and recognizes the importance enhancing its ability to withstand natural hazards as well as the importance of reducing the human suffering, property damage, interruption of public services and economic losses caused by those hazards; and

WHEREAS, the City of Harrisonville may have previously pursued measures such as building codes, fire codes, floodplain management regulations, zoning ordinances, and stormwater management regulations to minimize the impact of natural hazards; and

WHEREAS, the Federal Emergency Management Agency and the Missouri State Emergency Management Agency have developed a natural hazard mitigation program that assists communities in their efforts to become Disaster-Resistant Communities that focus, not just on disaster relief, but also on recovery and reconstruction that brings the community to at least pre-disaster conditions in an accelerated, orderly and preplanned manner; and

WHEREAS, by participating in the Natural Hazards Mitigation program, the City of Harrisonville will be eligible to apply for post-disaster mitigation funds; and

WHEREAS, the City will implement pertinent precepts of the mitigation plan in cooperation with community partners and by incorporation of relevant information into other community plans and mechanisms where appropriate; and

WHEREAS, the City will participate in the evaluation and review of the Plan after a disaster as well as complete a mandated five-year update submitted to the State Emergency Management Agency and the Federal Emergency Management Agency for review and approval; and

NOW THEREFORE BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF HARRISONVILLE MISSOURI, AS FOLLOWS:

The City of Harrisonville hereby approves the Regional Multi-Jurisdictional Natural Hazard Mitigation Plan attached hereto for the purpose of building a safer community by reducing natural hazard vulnerability.

PASSED and RESOLVED by the Board of Aldermen of the City of Harrisonville, Missouri, this 6th day of July 2010.

A RESOLUTION adopting and authorizing the County Executive to implement the Regional Multi-Hazard Mitigation Plan as recommended by the Regional Multi-Hazard Mitigation Plan Review Subcommittee.

RESOLUTION #17303, June 14, 2010

INTRODUCED BY Henry C. Rizzo, County Legislator

WHEREAS, no community is immune from natural hazards such as tornado, severe thunderstorm, flood, severe winter weather, drought, heat wave, earthquake, dam failure or wildfire; and,

WHEREAS, the County recognizes the importance of reducing the human suffering, property damage, interruption of public services and economic losses caused by those hazards; and,

WHEREAS, pursuant to the Federal Hazard Mitigation Grant program, as of November 1, 2004, all communities must adopt a natural mitigation plan to be eligible for federal hazard mitigation funding following a Presidential Declaration of Emergency; and,

WHEREAS, the Regional Multi-Hazard Mitigation Plan is a multi-jurisdictional plan that represents a number of local governments and school districts within the Kansas City region and has been prepared in accordance with Federal Emergency Management Agency Requirements at 44 C.F.R. 201.8; now therefore,
BE IT RESOLVED, by the County Legislature of Jackson County, Missouri, that the County adopts the Regional Multi-Hazard Mitigation Plan and authorizes the County Executive to take any necessary actions in furtherance of implementation.
Effective Date: This Resolution shall be effective immediately upon its passage by a majority of the Legislature.

RESOLUTION NO. 10-03

A RESOLUTION OF INTENT TO PARTICIPATE IN NATURAL HAZARD MITIGATION AND TO WORK TOWARD BECOMING A SAFER COMMUNITY.

WHEREAS, the City of Oak Grove recognizes that no community is immune from natural hazards whether it be tornado/severe thunderstorm, flood, severe winter weather, drought, heat wave, dam failure, or wildfire and recognizes the importance of enhancing its ability to withstand natural hazards as well as the importance of reducing human suffering, property damage, interruption of public services and economic losses caused by those hazards; and

WHEREAS, the City of Oak Grove may have previously pursued measures such as building codes, fire codes, floodplain management regulations, zoning ordinances, and stormwater management regulations to minimize the impact of natural hazards; and

WHEREAS, the Federal Emergency Management Agency and the Missouri State Emergency Management Agency have developed a hazard mitigation program that assists communities in their efforts to become Disaster-Resistant Communities that focus, not just on disaster relief, but also on recovery and reconstruction that brings the community back to at least pre-disaster conditions in an accelerated, orderly, and preplanned manner; and

WHEREAS, by participating in the Hazard Mitigation program, the City of Oak Grove will be eligible to apply for post-disaster mitigation funds; and

WHEREAS, the City of Oak Grove will implement pertinent precepts of the mitigation plan in cooperation with community partners and by incorporation of relevant information into other community plans and mechanisms where appropriate; and

WHEREAS, the City of Oak Grove will participate in the evaluation and review of the Plan after a disaster as well as complete a mandated five-year update submitted to the State Emergency Management Agency and the Federal Emergency Management Agency for review and approval; and

NOW THEREFORE BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF OAK GROVE AS FOLLOWS:

SECTION 1. The City of Oak Grove hereby approves the Update of the Mid-America Regional Council Multi-Jurisdictional Natural Hazard Mitigation Plan dated January 2010, for the purpose of building a safer community by reducing natural hazard vulnerability.

PASSED AND ADOPTED by the Board of Aldermen for the City of Oak Grove, Missouri this 7th day of June, 2010.

RESOLUTION 2010-27

A RESOLUTION OF THE BOARD OF ALDERMEN OF THE CITY OF PECULIAR, MISSOURI ADOPTING THE MID-AMERICA REGIONAL COUNCIL (MARC) REGIONAL MULTI-HAZARD MITIGATION PLAN AS AMENDED JANUARY 2010

WHEREAS, a hazard mitigation plan is necessary to reduce loss of life and property by lessening the impact of natural, man-made and technological disasters; and

WHEREAS, as of November 1, 2004, all local governments must have an approved hazard mitigation plan to be eligible to apply for and receive certain funds to mitigate the impact of said disasters under the Federal Emergency Management Agency (FEMA) programs; and

WHEREAS, the City of Peculiar, with assistance from MARC, has gathered information and prepared the January 2010 Regional Multi-Hazard Mitigation Plan in accordance with FEMA requirements as stated in 44-CFR-201.6; and

WHEREAS, the January 2010 Regional Multi-Hazard Mitigation Plan has now been finalized and may be viewed at marc.org/emergency/hazardдолanddocs.htm; and

WHEREAS, the City of Peculiar affirms that the January 2010 Regional Multi-Hazard Mitigation Plan will be updated no less than every five (5) years.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF PECULIAR, MISSOURI:

Section 1: The January 2010 Regional Multi-Hazard Mitigation Plan is hereby adopted as the City of Peculiar’s mitigation plan, and the City resolves to execute the actions in the plan.

Section 2: Effective Date. The effective date of this Resolution shall be the 15th day of June, 2010.

A RESOLUTION APPROVING AND ADOPTING THE REGIONAL MULTI-HAZARD MITIGATION PLAN

WHEREAS, the City of Riverside, with the assistance from the Mid-America Regional Council, has gathered information and participated with 40 other local governments and school districts within the Kansas City region from the State of Missouri in the preparation of a Regional Multi-Hazard Mitigation Plan (hereinafter the "Plan"); and

WHEREAS, the purpose of such plan is to provide a framework for hazard mitigation planning, both regionally and locally, to reduce the loss of life and property by lessening the impact of natural, man-made and technological disasters; and

WHEREAS, the Plan has been prepared in accordance with FEMA requirements at 44 C.F.R. 201.6; and

WHEREAS, the City of Riverside is a local unit of government that has afforded the citizens an opportunity to comment and provide input in the Plan and the actions in the Plan; and

WHEREAS, the Board of Aldermen has reviewed the Plan and affirms that the Plan will be updated no less than every five years; and

WHEREAS, the Board of Aldermen believe the Plan will contribute to the welfare of the City as well as its residents, that such a Plan is important to the welfare of the City, and that the adopting and support of such Plan is in the best interest of the citizens of the City of Riverside;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF RIVERSIDE, MISSOURI, AS FOLLOWS:

THAT the Regional Multi-Hazard Mitigation Plan attached hereto as Exhibit "A", and incorporated herein by reference, is hereby authorized, approved and adopted as the City of Riverside Multi-Hazard Mitigation Plan; and

FURTHER THAT the City Administrator and/or Mayor are hereby authorized to implement and execute the actions in the Plan as well as execute any and all documents necessary to carry out the terms and conditions of such Plan and the City Clerk is authorized to attest thereto.
