**OPEN MEETING NOTICE**

To: MARC Solid Waste Management District & Colleagues  
From: Lisa McDaniel, District Planner  
Re: MARC SWMD Management Council Bi-Monthly Meeting, rescheduled:  
   Wednesday, October 14, 2020 (12pm – 4pm central time) &  
   Thursday, October 15, 2020 (12pm – 3:30pm central time)  

Due to COVID-19 precautions, this meeting will only be held virtually rather than at a physical location. You may register at the link, provided below, to be forwarded the information to access the meeting.

AGENDA

I. Pharmaceuticals Stakeholder Meeting  12:00

In lieu of a Management Council meeting, members and interested parties are encouraged to join the Pharmaceutical Stakeholder Meeting that is being sponsored by the district. You do not have to attend both days.

Focus
This two-day meeting will focus on pharmaceutical waste—unwanted or expired drugs—generated in a residential setting. The priority drugs targeted for safe disposal are controlled substances—medications like Vicodin, Oxycontin, Percocet, Adderall, and Ritalin—which are addictive and most likely to be abused. The meeting will also include some discussion of medical sharps stewardship.

Goals
The goal of this meeting is to build support for a statewide pharmaceuticals stewardship program by finding consensus among stakeholders on a plan for Missouri. Specifically, the aims are to define the problems caused by leftover drugs; identify opportunities, barriers, and potential solutions for implementing a pharmaceuticals stewardship program; and develop specific next steps that stakeholders can take collaboratively toward implementing a statewide pharmaceuticals stewardship program.

See the attached flier for more information. Register at this link:  

II. Closing

The next Executive Board meeting is scheduled for Wednesday, January 20, 2021 from 11:00 am – 1:00 pm. The next Management Council meeting will be the Annual Meeting to be held in December. Date and time to be determined. Please note that these meetings may be held via teleconference due to COVID-19 precautions.
