Weston Bluffs Trail offers an opportune way to get close to the Missouri River and experience nature. The trail follows the Missouri River and the historic path of Lewis and Clark. The route begins at Weston City Hall and follows the old South Bluff Road corridor.

An easy ride from downtown, Weston Bluffs Trail is a nice addition to the charming town of Weston. The trail offers many opportunities for viewing wildlife, including deer, raccoon, fox and many different species of birds.

Six interpretive exhibits along the trail showcase the Lewis and Clark expedition. The trail also provides access to Weston Bend State Park. Maintenance and security are provided by the city of Weston, Missouri and Weston Bend State Park.
