5. Kansas and Missouri Legislative Agendas
Mr. Rivarola presented the Draft 2020 Kansas and Missouri Legislative agendas. Discussion took place regarding the changes from last year and the general opinions from the respective state.

*Mr. Jason Peterson moved to accept the 2020 Kansas and Missouri Legislative agenda as presented, second by Ms. Mickie Keeling. The motion passed by a voice vote. *

Upon discussion, the FY 2018/2019 Missouri and Kansas Grant Requests status updates will remain on the agenda for the November 20th meeting.

Ms. Pitts stated, to date six contracts had not been signed and returned and no invoices had been received putting the budget approximately $100,000 behind in spending.

7. Regional Transportation Plan 2050-Project Updates
Mr. Rivarola gave a brief presentation of the current progress of the MARC Regional Transportation Plan 2050. A total of 418 applications for projects to be included in the plan were received totaling to a cost of $15,056 million. Project scores were posted on May 7, 2019. 541 comments were made from the public from 8 counties. 74 of the 418 (18%) projects have received a comment, 65 of the 74 are from the MO side of the state line, mostly from along the I-49 Corridor. 19 of the 74 projects with comments have six or more positive comments to date. 20 of the total comments (4%) were negative and most were comments regarding things that are beyond the project scope and did not pertain to the actual project.

The MARC Project Prioritization Workshop will be held on Thursday, October 17, 2019 from 9:00 AM to Noon. All present were invited to attend. Plan adoption is scheduled for Spring of 2020. For additional questions please contact Mr. Rivarola.
