1. **Introductions**
   Introductions were not made. Names listed via GoToMeeting.com tracking of joined participants was used to determine members present.

2. **Vote: January Minutes Approval**
   Minutes were provided via email prior to the scheduled meeting to all invitees.

   Mr. Ron Achelphol motioned to approve the January 29, 2020 meeting summary as presented, and was seconded by Ms. Tamara Pitts. The motion passed unanimously by a voice vote.

3. **Vote: Leadership Team Membership**
   Ms. Tamara Pitts motioned to approve the membership application of Mr. Flint Walton representing Missouri Employers Mutual, and was seconded by Mr. Ron Achelphol. The motioned passed unanimously by a voice vote.

4. **Regional Transportation Plan 2050-Project Update**
   Mr. Martin Rivarola presented updates and progress to the MARC Regional Transportation Plan 2050. He stated the plan will be provided online to allow for interaction instead of the standard “on the shelf” plan. A working draft will be found at [www.connectedkc.org](http://www.connectedkc.org) in the coming weeks. Approval of the plan is anticipated to occur in June of 2020.

   Unlike previous years for project submission, a mandatory two step application and assessment process will be instituted. Applicants will be required to submit a preapplication that will determine eligibility, scope, and Connected KC 2050 Policy Alignment. Preapplications are tentatively scheduled to
be announced on April 23, 2020, with application announcements to occur in July 2020.

For additional details or questions please contact Martin Rivarola.

5. *Presentation: First Impact, Deanna Tucker Dothage*
Ms. Dothage introduced Ms. Tiffany Bowman, who is now the Director.

Ms. Dothage discussed how the organization is increasing social media presence as well as discontinuing in person presentations due to COVID-19. Once normal operations can resume, she reminded all present in the meeting that the organizations will provide presentations at all venues when invited, and has requested if persons are interested in becoming a presenter in rural areas, to please contact her.

For additional information or questions, please contact Deanne Dothage at dothaged@health.missouri.edu and by phone at 573-884-3463, or by visiting https://www.medicine.missouri.edu/offices-programs/first-impact

6. **2020 Coalition Work Plan**
   i. **Effective Public Education Programs: Tory Anderson, Wyandotte Co. Public Health Dept.**
      Ms. Tory Anderson began the presentation by giving an overview of the background of the department and her position. Before the COVID-19 pandemic, she focused on visiting every school to discuss occupant constraint and impaired driving. During the current school year, she was able to visit 9 of the thirteen schools in the county. She stated networking through the schools and health department has led to the success of their program.

   ii. **Strong Public and Private Safety Policy: Karl Kramer, BikeWalkKC**
      Mr. Kramer overviewed the Complete Streets Template stating it was developed for rural communities in line with NCSC policy guidelines, and has been implemented in the KC metro area.

      For information regarding the template and questions please contact Mr. Michael Kelley at Michael.kelley@bikewalkkc.org.

   iii. **Robust Law Enforcement Programs: Chief Bruce Summa, Lawson Police Dept.**
      Mr. Summa stated the department uses an information-based review of approaching enforcement when safety is concerned. They have implemented a four-step approach. The first approach is to educate in the school system through presentations and drivers’ education. The second approach is to practice positive reinforcement with young drivers. The third is to maintain and fix public relations with the community members. Internally, officers review traffic stops that concern safety relations with superior officers for best practice handling. And the final step is to maintain open communication with the City in decision making and problem solving.

7. **FY 2020/2021 Grants: Call for Applications**
   The call for projects has been extended to March 30th. To date, 20 applications have been received.

   Projects that were funded during the last cycle, and are having trouble completing goals and spending expectations, please contact Amanda and your DOT representative so that appropriate arrangements can be made.

8. ** Updates: Round Table Updates**
   The next Destination Safe Coalition Leadership Team meeting will be held on May 27, 2020 at 9:00 AM.

   The meeting was adjourned by Rose Simone at 10:28 AM
