5. Discussion: Legislative Platform (30 minutes)
   a. 2020 Transportation Safety Platforms
      i. Kansas: Safety is a growing concern among transportation professionals, law enforcement and others. The legislature is urged to address a number of safety issues in 2020, including: retain the current 75 mph speed limit (not increasing it); amend current law to include liability protection for Child Passenger Safety Technicians and their agencies; support helmets for children under 18 years of age using ATVs; and encourage attentive driving.
      ii. Missouri: There is increasing support to address the use of wireless devices by drivers. Other safety issues: support a primary seat belt law; maintain current law requiring helmet use for motorcycles; and strengthen protections for transit operators from workplace violence. Recommendation: Support legislation that will restrict use of
