AIRPORT MASTER PLAN

FOR

CHARLES B. WHEELER DOWNTOWN AIRPORT
KANSAS CITY, MISSOURI

Prepared For The
City of Kansas City, Missouri

By
Coffman Associates, Inc.

January 2004

“The contents of these documents reflect the views of Coffman Associates, Inc., which is responsible for the parts and accuracy of the data contained herein. The contents do not necessarily reflect the official views or policy of the FAA. Acceptance of these documents by the FAA does not in any way constitute a commitment on the part of the United States to participate in any development depicted herein nor does it indicate that the proposed development is environmentally acceptable in accordance with Public Laws 90-495, 91-190, 91-258, 94-343, and/or 100-223.”

This document has been adopted by the City of Kansas City, Missouri under Resolution No. 040066 (attached).
RESOLUTION NO. 040066

Adopting the 2003 Charles B. Wheeler Downtown Airport Master Plan as the official guide for development of Charles B. Wheeler Downtown Airport.

WHEREAS, Kansas City has completed a study of Charles B. Wheeler Downtown Airport (MKC) following guidelines of the Federal Aviation Administration (FAA); and

WHEREAS, Kansas City in conjunction with the consulting firm of Coffman Associates, has developed projected activity levels at MKC for the next 20 years; and

WHEREAS, improvements necessary to meet the projected aviation activity levels and FAA design standards have been identified; and

WHEREAS, alternative methods of providing these improvements have been reviewed with federal, regional and local officials, airport tenants and users, community representatives and interested citizens through four planning advisory committee meetings and four public meetings; and

WHEREAS, the annual economic impact of the airport on the Kansas City region has been determined to be $2890 million; and

WHEREAS, a recommended development program has been established including a preliminary capital funding plan; and

WHEREAS, the above-mentioned analysis and recommendations for development are presented in the 2003 Charles B. Wheeler Downtown Airport Master Plan; NOW, THEREFORE,

BE IT RESOLVED BY THE COUNCIL OF KANSAS CITY:

That the 2003 Charles B. Wheeler Downtown Airport Master Plan be adopted by Kansas City, Missouri, as the official guide for development at Charles B. Wheeler Downtown Airport.

Authenticated as Passed

KAY BARNES, Mayor
