

# KCI Airport Transit Service Action Plan

MARC Board Meeting  
March 2024

# KCI airport transit action plan overview

- Goal:

Identify feasible, flexible and scalable near-term transit services to KCI for travelers, workers and area residents.

- Key Tasks:

- Transit needs assessment.
- Engagement and outreach.
- Alternative development and evaluation.
- Recommendations and next steps.

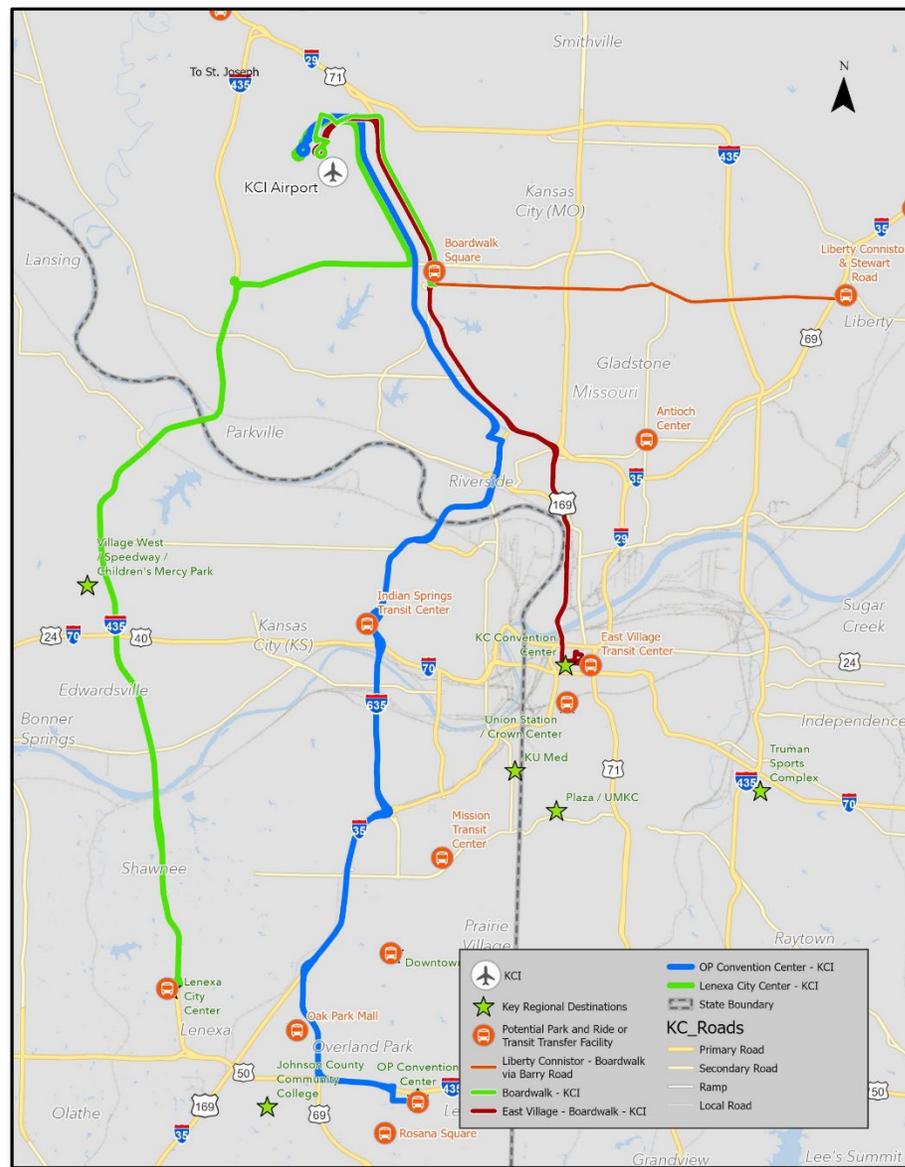

Consultant support:

# Near-term recommendations

**Local route:** Boardwalk-Liberty P&R lot via Barry Rd.

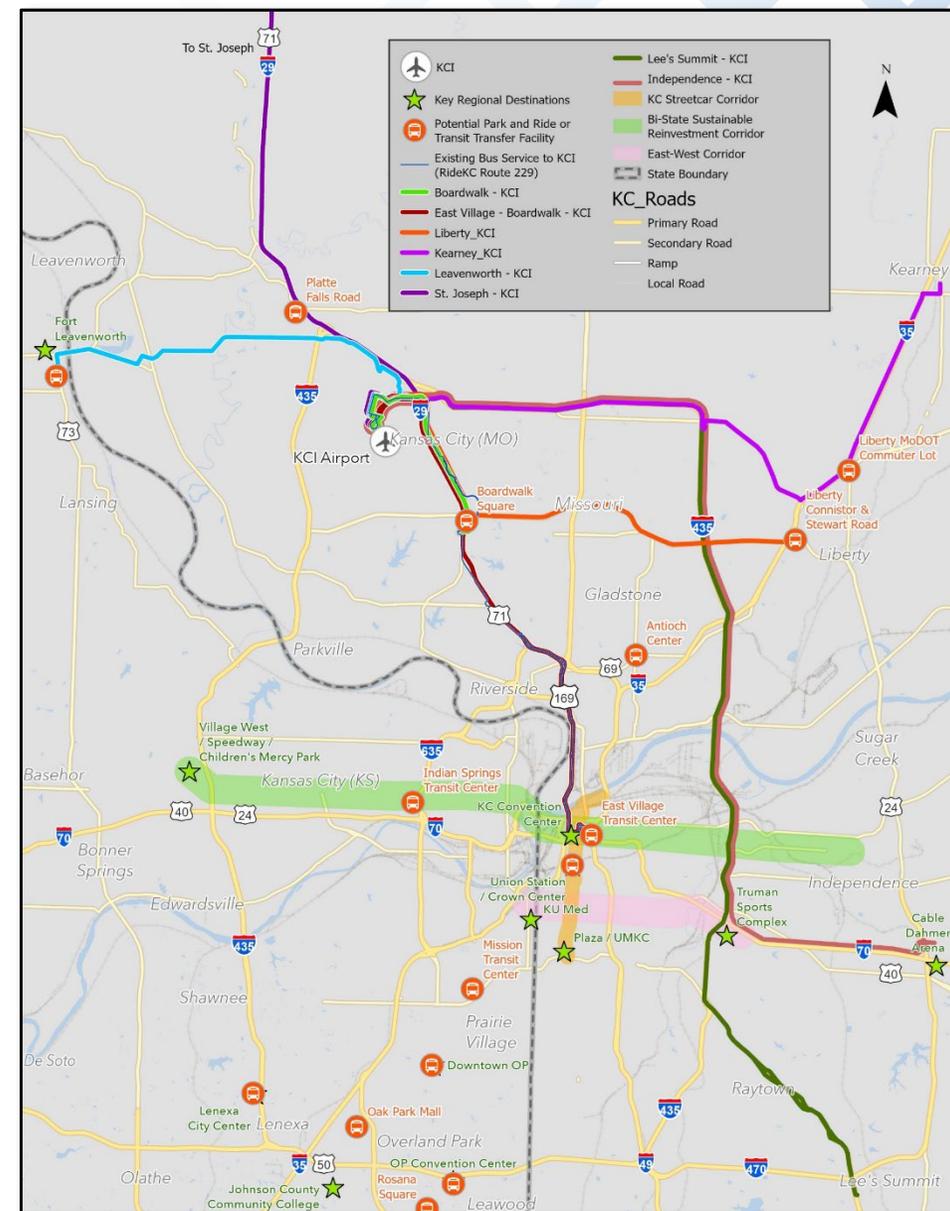

## Express routes:

- East Village-Union Station-KCI
  - Lowest cost per jobs/population/hotel rooms served
- East Village-Convention Center (CC)-KCI
- OP CC-Indian Springs-KCI
  - Johnson County's lowest cost per jobs/population/hotel rooms served
- Lenexa City Center-Village West-KCI
- Capital expenditures - \$7-8m
- Annual Operating expenses – \$4.5m - 6m

# Longer-term recommendations

- Additional express and local bus service alternatives.
- Additional employee-focused and resident/visitor focused service.

*Full Plan available here:*

# Current status and next steps

- Ongoing further study starting soon in Kansas City (MO) and Johnson County (KS)

## Next Steps

- Identify project sponsors.
- Identify funding sources.
- Detailed planning and operations.
- Infrastructure and equipment procurement.
- Begin operations.
