

# Regional Cybersecurity

# Regional Cybersecurity Background & Membership

# Current Work

State-level cybersecurity committees

Training from state and federal partners

Annual tabletop exercises

Cybersecurity Toolkit

NCSR (National Cybersecurity Review) score promotion & data analytics

## Successes

Cybersecurity Subcommittee's ability to provide support and resources to help partners prepare for and respond to a cyber incident.

## Challenges

Lack of dedicated funding for staff support.  
Challenge of operating an open committee while discussing highly sensitive subject matter.
