1. **Clarifications on Site Walk Sign-in sheet**
    a. Refer to attached updated site walk sign-in sheet. KC Guys Heating and Cooling and Amina DB indicated possible partnering so this was clarified in the site walk sign-in sheet summary to show both companies. Summit Heating and Cooling was erroneously shown as attending the site walk at Synergy Services but was not on the sign-in sheet. Summit Heating and Cooling was left off of the Cornerstones of Care site walk and has been added back in correctly.

2. **Confirmation on Bid Receipt**
    a. All bids need to be sent to Ashley.langenfeld@tuvsud.com **by 5:00pm** on **October 30, 2026**. Ashley will provide a receipt of bid via email once received. It is recommended that bids are sent in a little before 5:00pm to make sure that the file size does not bounce back in Ashley's email and to make sure it has been received in her inbox by 5:00pm. This will allow Ashley to send an acknowledgement of receipt by the deadline to the bidder.
