Q: Page 5, section A reads, "Scope of Services: Proposals should include a recommended scope consistent with elements outlined in Section C. Proposers' recommendations will demonstrate and propose strategies that exemplify best practices. Innovative data approaches are encouraged." Should this reference Section D. Scope of Services (and not Section C)?

A: Yes, the proposals should include a recommended scope consistent with elements outlined in **Section D.**

Q: Section E. Proposal Submittal Requirements, first paragraph indicates that proposals must be "12 font Time New Roman." However, on page 5, under Completion of Proposal Responses item C, there is a reference to "font size no smaller than 11 point." what fonts and font size are acceptable?

A: Both 11-point and 12-point font sizes are acceptable. **The Time New Roman** is the font required for this proposal.
