Fatherhood Literacy Pilot

Goals

- Increase children's exposure and engagement with literacy materials
- Provide opportunities for fathers/father figures to connect with their children
- Provide opportunities for fathers/father figures to connect with other fathers/father figures to form support networks centered around raising young children

Workforce Development Pilot

Support parents with children in Head Start to increase skills to advance within their chosen career fields.

Continuing the Work in the 2022-2023 Program Year
