

GTI - 2023 Open Enrollment

Open Enrollment | Blended Online Learning Resource

Self Paced and Blended Open Enrollment

What is Diversity, Equity and Inclusion?

Other courses in this series are:

- *Expanding your Cultural Competency*
- *Implicit Bias*

DEI Workshop for Front-Line Staff (DEI-Crossing)

The training also includes an advanced skill set to help with uncooperative and verbally hostile subjects. Employees who might benefit from this course include, but are not limited to, first responders, customer service professionals, etc.

What Is Diversity, Equity and Inclusion? (DEI-001)

How to be an Inclusive Team Player (DEI-002)

Expanding Your Cultural Competency (DEI-003)

Implicit Bias (DEI-005) ... and more!

Coaching Career Development (VD043)

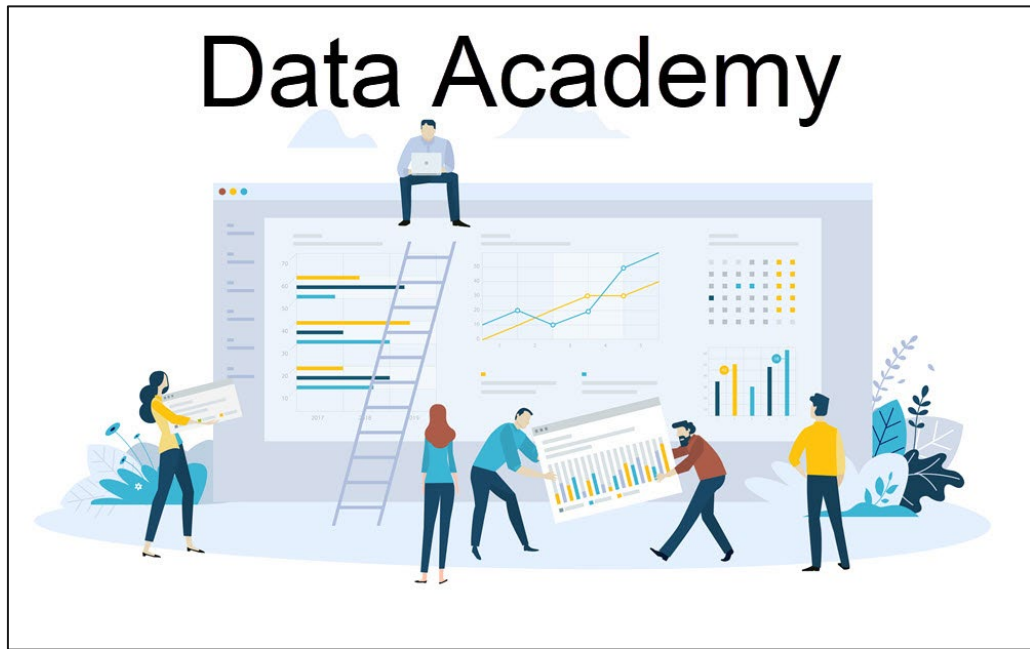

As a manager, one of your roles is to help coach and develop your employees. This includes helping them grow in their career. Whether it's understanding a person's career aspirations or helping individuals navigate.

Active Shooter Response (HHT01)

The possibility is distinctly uncomfortable, so talking about what you might do is difficult. The unfortunate truth is that these tragedies do happen, and being unprepared because you don't want to think about them is the worst approach to take.

Certification Programs / Academy

Data Academy: Introduction (DATA-1-INTRO)

Regional Data Visualization (DATA-2-VIS)

Data Storytelling (DATA-3-STORY)

Data Academy: Certification (DATA-4-CERT)

Local Government Professional Certificate (PC101)

The Professional Development Certificate Program assists in developing skilled and confident staff.

Custom Professional Development Programs

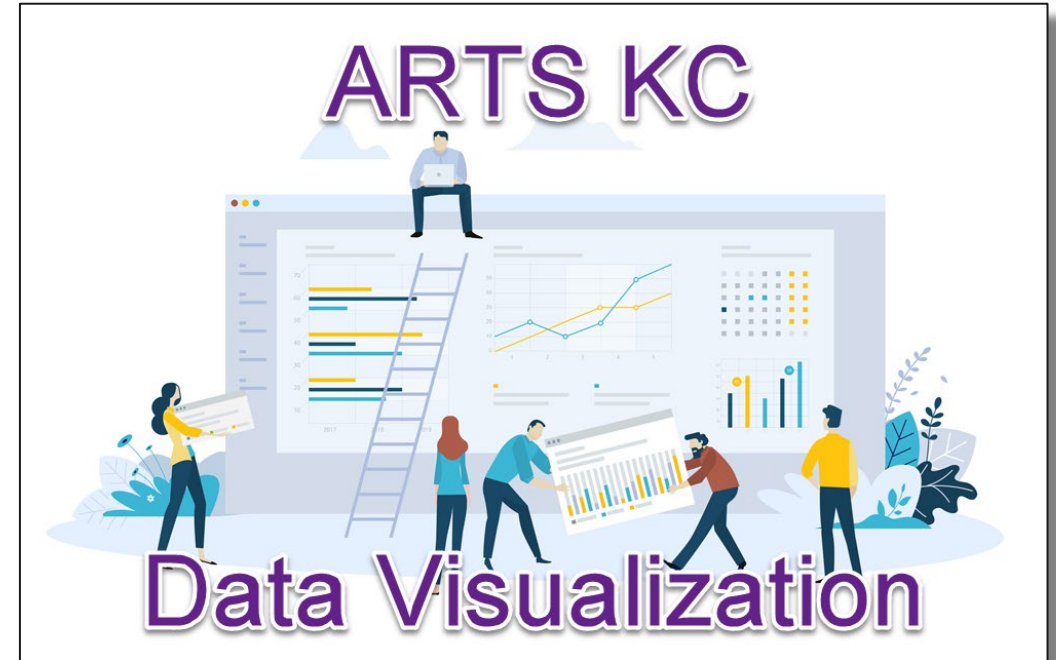

Clay Co. Supervisor Training (CLAY)

Performance Management (two sessions)

Coaching and Motivation (two sessions)

Managing Conflict (two sessions)

ArtsKC Data Visualization (CUSTOM)

Data-informed decision making is an important tool for any organization in strategic planning. This course discusses the basics of data and information visualization and goes over the various ways to visualize data - through charts, and maps.
