Approval of January 13, 2022 Meeting Summary*

There were no edits or corrections to the meeting summary. Brian Alferman motioned to accept the meeting summary, and Missouri Co-Chair Mayor Dean Katerndahl seconded the motion. Jon Birkel abstained from the vote, and none opposed. The motion passed and the meeting summary was approved.

Carbon Reduction Programming Item

Karen Clawson, MARC Air Quality Program Manager and Principal Planner presented on the 2023 Carbon Reduction Plan (CRP) Call For Projects. This is a new program made available to transportation-related projects by the Bipartisan Infrastructure Law (BIL). The Kansas City region was awarded \$23.5million over five years: the first three years of programming (\$14m in funds for FY 2022-2024) will take place this year, and the remaining funds will be programmed in 2024. Funds favor implementation activities, but advanced planning to leverage additional
