Financial Report

Grant Status as of January 31, 2024

→ OPEN GRANTS (FY 2023-2024)

42220 - HS / EHS Core Operating

 Grant Period:
 11/01/2023 - 10/31/2024

 Total Budget:
 \$ 32,172,048

 Amount Spent:
 \$ 4,757,404

 Amount Remaining:
 \$ 27,414,644

Notes: the Core Operating grant renewal began Nov 1, 2023; data here as of Jan 31, 2024 is very similar to the data as of Dec 31, 2023 that was reported last month -- this is due to the fact that all invoices received in January for services provided and goods purchased in December were accrued to December for purposes of MARC's fiscal year end -- therefore, the data as of Dec 31, 2023 did not reflect the typical lag in monthly invoice submission (as is reflected here); contractual agreements are lagging in general as several contractors did not provide services in November and/or December and, therefore, did not have any invoices to submit

→ Jan 31, 2024 = 3/12, or 25%		25%	
Total % Spent/Remaining	15%		99%
Direct Service Providers	15%		84%
Contractual Agreements	7%		93%

48540 - Missouri EHS Program

 Grant Period:
 7/01/2023 - 6/30/2024

 Total Budget:
 \$ 1,642,600

 Amount Spent:
 \$ 774,998

 Amount Remaining:
 \$ 867,602

Notes: the vast majority (99%) of the Missouri EHS grant funds is passed through to two of MARC's providers: the Independence School District and Operation Breakthrough; the remaining 1% is retained by MARC to recoup costs to administer the grant; data here as of Jan 31, 2024 is the same as the data as of Dec 31, 2023 that was reported last month -- this is due to the fact that both of the invoices received in January for services provided in December were accrued to December for purposes of MARC's fiscal year end -- therefore, the data as of Dec 31, 2023 did not reflect the typical lag in monthly invoice submission (as is reflected here)
